Vollmond was created in 2006. The production and choreography are by Pina Bausch, with set design by Peter Pabst and costumes by Marion Cito. The piece is among Pina Bausch's later works and has been a permanent part of the repertoire of the Tanztheater Wuppertal Pina Bausch since its premiere. Vollmond is also regularly presented as part of international guest performances and tours. This revival brings Vollmond back to the stage of the Wuppertal Opera House, continuing the sustained care and transmission of Pina Bausch's artistic legacy.
